Sentence Ondoku

- Wow, what's this hat? It looks cool!
Oh, that's part of my school uniform! I'm glad you like it.
ああ、これは学校の制服の一部だよ！気に入ってくれてよかった。
- I really like the new lemon cheesecake at this cafe!
Me too, it tastes a bit like lime.
私も。ちょっとライムの味がするね。
- I really love this present, it's perfect!
Yay! I had it tailor-made for you.
やった！君のために特注したんだ。
- I can finally run 5 kilometers in less than 30 minutes. I'm so happy!
Wow, I didn't know you were so health-conscious.
わあ、君がそんなに健康志向だなんて知らなかった！
- Why did she lose the card game? I thought she was good at them.
I was surprised too. She said she wasn't aware of the rules.
私も驚いたよ。彼女が言うにはルールを知らなかったんだって。
- Wow, he can really jump that high?
He's very tall, so I think it's easy for him!
彼はすごく背が高いから彼には簡単じゃないかな！
- Did you finish this jigsaw puzzle all by yourself?
No, I worked alongside Tom and Greg.
いや、トムとグレッグと一緒にやったよ。
- Can I use a fork to eat the rice?
We typically use chopsticks in Japan, but a fork is okay.
日本ではたいてい箸を使うんだけど、フォークでもいいよ。

Writing prompt

If you could 3D print any food, what would you print? Why?

Example:

I would 3D print tacos. I love eating them, but sometimes it can be difficult to find a Mexican restaurant or a place that sells them. They also take a bit of time to make at home. With a 3D printer, the process would be much easier and I could have them whenever I want without any extra trouble.
